Aklına geldi mi düşündün mü hiç
Denizden esince bir deli rüzgâr
Dalgalar sahile nasıl koşarsa
İçinde bir arzu nasıl çoşarsa
İşte öyle çarpar kalbim seninle

Aklına geldi mi düşündün mü hiç
Gönülde esince sevgi rüzgârı
Kalbini anılar nasıl yakarsa
Gözünden damlalar nasıl akarsa
İşte öyle çarpar kalbim seninle
