Nûr-i lûtfun şâdeder billâh dil-i biçâreyi
Uyku bilmez gözlerimden anla ben avâreyi.
Rûz-i mahşerden gümânın var mı; etmezsın kerem?
Semt-i yâre uğrasan, görsen onulmaz yâreyi.
Eylemez lûtfun nisar ol dilber-i râna, Gönül,
Leyl-i gamda gel unut sen gözleri ol hâreyi.
